WELCOME TO CONSIGNMENT!

TERMS OF CONSIGNMENT

1. You, the consignor agree to surrender your choice of items to the store in exchange for 50% of price of items sold, payable to you on/after the first of the following month by check unless otherwise requested.
2. List prices are determined by Threads. The price of any unsold item will reduce by 20% after 3 weeks and 40% after 6 weeks. All unsold items remaining after 60 days become the property of Threads and in most cases will be donated to a women's shelter or other charity.
3. Checks over \$10 in sales are printed on or around the first of each month. Any credit under \$10 from sales will be applied to your account and can be used as store credit at any time or paid out in cash.
4. Items dropped off for consignment are at your own will and risk. Threads is not responsible for loss due to theft, fire, or damage, in the event that any of these tragedies should occur.
5. In some cases, higher end or desirable items may be cross-listed on Poshmark under the closet name @slippers74 for a larger reach for potential sales. Consignment payout will still be 50% to you.

I have read and agree to the terms of consignment with Threads by Kelly
